March 2018

Hi League Members:

Spring seems to be in the air - snow is melting and the temperatures are rising!! Let's hope it continues.

Our annual meeting is scheduled for **Wednesday, April 18th**, at the BP Energy Center, to begin at 6 p.m. I look forward to reconnecting with current members and meeting new members. Our hope is the guest speaker will be from the Clerk's Office to talk about the successes and many interrelated parts of the first Vote-By-Mail election.

BE ACTIVE and BE INVOLVED! Be an active participant in shaping our future! Become involved in your community!

This is my last president's message as I am stepping down as President after having held the office for five years. My time as president has been busy, enlightening, transforming, fulfilling, at times frustrating, a learning experience, and overall a time of building connections and friendships with people in various sectors of the Anchorage community and League members. I plan to continue to be active and involved with League. I firmly believe our nonpartisan voice is important and necessary.

A big "thank you" to the board and League members for all your support and energy during this exciting time for League. As the saying goes, "it takes a village." We have accomplished much but there will always be new ideas and projects to tackle. Let's March On.

Joyce Anderson, President

Additions to Program: Our Bylaws permit additions to our adopted program should we find it necessary and spell out the procedures for doing so at a General meeting.
